HULSEBOSCH BROTHERS,

BULB GROWERS,

Overveen, = Holland.

NEAR HAARLEM.

Roots and Plants.

HULSEBOSCH BROTHERS,

ENGLEWOOD,

NEW JERSEY.

ADDRESS FOR THE UNITED STATES AND CANADA.

INTRODUCTORY REMARKS.

To our Friends and Patrons:

We take pleasure in again offering our **Wholesale Catalogue of Bulbs, Roots and Plants** for Fall planting, grown or carefully selected by ourselves, and which we can confidently recommend to our **American** and **Canadian Friends.** We desire to tender our warmest thanks for the confidence so freely accorded us in the past seasons, and we trust to be favored again with your **much esteemed orders,** which shall receive our **most careful** and **best attention.**

To that large circle of **our patrons** who have so kindly recommended us to **their friends and acquaintances,** we beg to return our most grateful acknowledgements; to them is due, in a great measure, the success we have attained, and it is exceedingly gratifying to us to find that our principal assistance, in the way of extending our connections, is not so much derived from advertising and such extraneous aids, as from the recommendation of friends who themselves have dealt with us and fully appreciate our goods, terms and **style of doing business.**

The remarkable success of our system, and its increasing popularity in the United States and Canada, encourages us to place again before our friends and patrons the very best the crop produces, at much reduced figures, **in any quantity to suit.**

For the information of those who are not familiar with our business system, we beg to call special attention to the following points:

All goods are delivered free of charge **to any Railroad Pier, Steamboat, or Express Office in New York City.**

All prices are subject to change.

Our prices are net. Net cash in 90 days.

We allow 10 per cent. when cash accompanies order; the same discount on approved accounts paid within 10 days from date of invoice.

All C. O. D. shipments are net (no discount).

No C. O. D. shipments made to unknown correspondents; they must send cash with order, or satisfactory reference.

Postage will be charged on parcels at the rate of one cent to every two ounces in the U. S., and one cent per ounce for Canada.

Not less than 6 bulbs will be quoted at the rate of 12.
" " 50 " " " " 100.
" " 250 " " " " 1000.

Remittances should be made either by check, draft, money order or registered letter.

All orders are packed under our personal supervision, from our extensive stock, and shipped direct **from Holland** to any part of the **United States and Canada,** through our American House.

HULSEBOSCH BROTHERS,

Englewood, N. J.,

but after the goods leave our place of business our responsibility ceases.

For the convenience of our customers we enclose an **Order Sheet** and **Memorandum,** provided with our full address, the use of which we cannot too strongly recommend.

Please address all communications to

HULSEBOSCH BROTHERS,
Englewood, N. J.

MAIL PARCEL.

We wish it distinctly understood that as soon as the goods leave our place of business our responsibility ceases.

Also that we ship first-class and reliable goods, true to name and description, but we cannot assume any responsibility for the failure of our bulbs and plants to bloom, as this depends on many circumstances entirely out of our control.

All agreements are contingent upon crop failure or shortage, accidents, delay of carriers, and other delays unavoidable or beyond our control.

MAIL PARCEL.—To fulfill the desire of a great number of our patrons we have put up a collection of 124 bulbs for indoor growth, of the best quality, which will be sent **free by mail or express,** to any Post Office in the United States, at the low price of **$1.80,** and to Canada for **$2.00.**

12 Very Early Duc van Thol Tulips in 4 splendid named varieties.

12 Early Single Tulips in 4 splendid named varieties.

SINGLE AND DOUBLE HYACINTHS.

6 Ixias in various colors.

10 Single Snowdrops.

10 Scilla Siberica.

10 Allium Neapolitanum.

☞ In ordering, simply refer to **MAIL PARCEL.**

NOTICE.

As the steamers are oftentimes delayed in the latter part of the season, and on account of the great demand we had in former seasons for Bulbs, to be shipped immediately on receipt of order, we beg to state, we will carry a full stock of Bulbs on hand, at Englewood, N. J., sufficient to fill all late orders as fast as they come in.

The Pearl, distinct purplish, large bells	15	1 50	8 00

ROMAN, ITALIAN AND FRENCH HYACINTHS.

Roman Hyacinths should be grown extensively in all places where early flowers are required. With very moderate forcing they can be easily had in bloom as early as November, and as every bulb produces three or four spikes of pure white flowers, its value for cutting for bouquets, glasses, etc., is very great.

NOTE.—Of these Bulbs we only offer extra selected ones.

	Per 1000	Each	Per doz.	Per 100
Single white Roman, extra selected bulbs.....	$22 00	$0 04	$0 40	$2 50

CROCUS.

This is one of the most beautiful and early blooming of our common spring flowers. Their easy growth in any soil or situation makes them very desirable for all gardening purposes. When used for mosaic works they produce the most charming effect from the beginning of March to the end of April. They are also recommended for indoor culture.

ANEMONES.

Anemones are a highly ornamental class of easily cultivated, hardy, bulbous roots, with large flowers of nearly all shades and colors, which bloom in spring and early summer, when planted in succession from Autumn to May. They grow and flower well in any moist, fertile soil, planted 2½ to 3 inches deep by 4 to 5 inches apart.

RANUNCULUS.

Among dwarf flowers the Ranunculus is unrivalled for its lovely form and its brilliant and attractive white, crimson, yellow, purple and black colors, and for compactness and symmetry they are unequalled by any other flower. The individual flowers are about two inches in diameter, beautifully imbricated, and as full and double as the finest camellia or rose. Their effect is truly magnificent in the spring flower garden, besides being useful for cut flowers. They must be planted in a moist fertile soil, about two inches deep and three to four inches apart.

ERRATA.

The last five lines at foot of page 25 are the prices for LILIUM HARRISII (Easter Lily).

LILIUM.

Lilies are the most desirable hardy bulbous rooted plants in cultivation. In pots, or anywhere in the open ground, they are superb and produce a most charming effect.

They should be planted from October to March, in good, rich, loamy soil, about four inches deep. After planting they require but little care, and should not be taken up for several years, as they bloom more freely than if taken up annually.

Those marked (*) are to be had in August; the others after October 15.

GLADIOLUS.

The Gladiolus is certainly the most desirable of our summer blooming bulbs. They throw up tall spikes of brilliant and showy flowers, to a height of two feet and more and the flowers are of almost every desirable color; scarlet, crimson, purple, yellow and white, blotched and striped in the most beautiful manner.

Plant at intervals from March to June, for a succession of flowers.

The bulbs should be stored in a dry, frost-proof place during the winter.

HYBRID GANDAVENSIS.—Home grown Bulbs.

AMARYLLIS.

(Hippeastrum).

It is impossible to name a more magnificent genus of bulbous plants than this. They are of the easiest possible culture and require but little care. They throw up beautiful trumpet-shaped flowers of the richest colors, from crimson to nearly pure white, lined and flushed with yellow, light rose, vermilion, dark red and purple. We recommend them with the utmost confidence for the docoration of the conservatory or drawing room.

IRIS.

IRIS ANGELICA.—English Iris.

Hardy and robust bulbous roots, attaining a height of 18 to 20 inches, and producing large and beautiful flowers of remarkable rich blue, purple, violet, lilac and even white colors. They are very easily cultivated, and succeed very well in any soil or situation.

100 in 25 fine named varieties	$2 00	50 in 10 fine named varieties	$1 00
100 in 10 " "	1 60	24 in 12 " "	80

Very fine mixed, in various sorts and colors.....doz., 14c.; 100, 60c.; 1000, $5.00

IRIS HISPANICA.—Spanish Iris.

Earlier in blooming, but smaller than the English Iris; also flowers of the most distinct and beautiful colors, but more yellow shades between. They are very suitable for bouquets or other floral work

100 in 25 fine named varieties	$1 60	50 in 10 fine named varieties	$0 80
100 in 20 " "	1 00	24 in 12 " "	50
50 in 25 " "	1 00	12 in 12 " "	20

Very fine mixed, in various sorts and colors; per doz., 10c.; 100, 30c.; 1000, $2.00.

IRIS GERMANICA.

No hardy border flowers are more showy or have a more pleasing appearance than those of Iris Germanica. The bulbs produce immense flowers of the most distinct colors; are very desirable for rock-work or any other garden decoration, and it is remarkable as being one of the very few excellent hardy flowers that successfully resist the dust and smoke of even the largest cities. Ready for delivery after October 1st.

100 in 25 finest named varieties	$4 00	25 in 25 finest named varieties	$1 25

In offering our new and revised **Wholesale Catalogue of Dutch Bulbs, Roots and Plants** for Fall, 1895, we invite the attention of our **friends** and **patrons** particularly to our very low prices and the great advantages we offer in shipping, entirely free of charge, to any **Railroad Pier, Steamboat** or **Express Office** in **New York City.**

From our experience of foregoing years, we recommend this method to every dealer. One of our firm resides in **New York City** and gives all goods his special attention, so that there can be no delay or damage done them after the arrival of the steamers; but we wish it distinctly understood that as soon as the goods leave our place of business in New York City our responsibility ceases. We ship first-class stock, true to name and description, but will not assume any responsibility for the failure of our bulbs and plants to bloom, as this depends on many circumstances entirely out of our control.

In order to avoid all possible misunderstanding, we remark that our prices are net; net cash in 90 days, and subject to change.

We allow 10 per cent. when cash accompanies the order. The same discount on approved accounts paid within 10 days from date of invoice.

All C. O. D. shipments are net (no discounts).

No C. O. D. shipments made to unknown correspondents; they must send cash with order, or satisfactory reference.

Postage will be charged on parcels at the rate of one cent for every two ounces in the U. S. and one cent per ounce for Canada.

Not	less	than	6	bulbs	will	be quoted at the rate of	12.
"	"		50	"	"	" "	100.
"	"		250	"	"	" "	1000.

Purchasers are urgently requested to order at an early date, if possible, **before the month of August,** so as to secure an **early delivery** and **finest selection.**

Distinctly written names and addresses are urgently requested.

Complaints must be made within 10 days after receipt of goods; otherwise they will not receive attention.

Please address all communications and orders to our American House,

HULSEBOSCH BROTHERS,

Englewood, N. J.,

who will forward price lists on application, receive orders and settle or arrange all matters concerning our firm.

Assuring you of our best personal attention to your much esteemed commands, we remain,

Yours respectfully,

HULSEBOSCH BROTHERS,

OVERVEEN, Near Haarlem, Holland.

HULSEBOSCH BROTHERS,

ENGLEWOOD, NEW JERSEY.
